Committee Members:

My name is William Soller and I'm here on behalf of the Office of Community Service. We support the removal of the Montana Conservation Corps from our legislation, as the current language is outdated and obsolete. While the Montana Conservations Corps does continue to receive grant funds to support AmeriCorps programming from our office, as of about 1993 the organization received status as a nonprofit and no longer falls under the direct oversight of the Office of Community Service. This bill simply reflects the current status and structure of the Montana Conservation Corps.

Thank you.
